

The graph displays a green line representing elevation data. The y-axis is labeled 'Elevazione (m)' and ranges from 250 to 600 in increments of 50. The x-axis is labeled 'Distanza (km)' and ranges from 0.0 to 10.7 in increments of 1.0. The background is divided into three horizontal color-coded bands: light green for 250-300m, light blue for 300-400m, and light yellow for 400-600m. The elevation starts at approximately 310m at 0.0 km, stays relatively flat with minor fluctuations until about 8.0 km, then rises sharply to approximately 550m at 10.7 km.

Distanza (km)	Elevazione (m)
0.0	310
1.0	315
2.0	320
3.0	315
4.0	315
5.0	325
6.0	320
7.0	335
8.0	335
9.0	390
10.0	385
10.7	550
